“ Dr. Ratcliffe was one of a kind. He was a wonderful man and a wonderful Doctor. I want to share a short Memory I have of Dr. Ratcliffe. I had been trying to get pregnant in the early 80's. I had just about given up. My husband and I had talked to Dr. Ratcliffe, and we had decided to quit trying for awhile...just take a rest. Anyway...you probably know what happened! In March I found out I was Pregnant with my Daughter Rachel. I don't know who was more excited, us or Dr.Ratcliffe. Dr.Ratcliffe phoned me himself to tell me "I was Pregnant". He was so happy for my husband and myself. I've never forgotten that call. My daughter Rachel was delivered by Dr. Ratcliffe later that year on December 28, 1982. My son Matthew followed on April 14, 1986. Dr. Ratcliffe was taking his Mother home and was on his way back to the hospital to deliver Matthew. Matthew came sooner than expected. So, he was delivered by Dr. Belyu. Dr. Ratcliffe, you will be greatly missed!!!
