“ You always wonder what happened to certain people you grew up with in school. I thought about Amber a number of times. I surely didn't want to hear about her-like this. I send my deepest condolences to her family.

“ Remember the sleepovers at the house with giggling teenage girls and the pranks they would pull on each other. What fun times those were. That is the way I will always remember Amber, as a silly teenager full of laughter.

“ The time I took her camping. She hated the heat, humidity, and the outdoors. She never let me forget it either. I will forever laugh about that trip.
