

Mrs. Amy Duvall Nixon

July 12, 1978 - October 4, 2017

Amy Duvall-Nixon age 39 of Guntersville passed away October 4, 2017 at her residence.

Amy's goal in life was to help others by making them feel and look better as she was a cosmetologist and a registered nurse. She was great at making people look beautiful and feel beautiful. When she was diagnosed with breast cancer she became determined to beat it while bringing awareness to her community and helping others. Amy donated all of her scarfs and hats given to her by her friends to the Marshall Cancer Care Center and has also led Team Duvall for two years in a row at the Annual Pink Pumpkin Run raising thousands of dollars for indigent local women to receive free mammograms. Amy received the Marshall Medical Healthcare Hero Award for 2017, due to her relentless efforts to encourage others to be proactive in the fight against breast cancer. Amy's goal as a breast cancer fighter was to spread awareness and maintain a positive attitude. Amy is described by her friends as strong-willed and determined which has been most evident since her "incurable" breast cancer diagnosis several years ago. Amy's motto during her fight with cancer was "My God is bigger than my cancer."
