“ A beautiful angel got her wings. You are deeply loved and will be deeply missed. Your smile, your laugh and your kind heart will always be forever etched in my heart. Though my heart is broken I’m glad you are no longer in pain. I read a quote once that said “ when we cry for a loved one who has passed we are really crying for ourselves because we will no longer be able to see them.” I think that’s true for I really truly will miss not seeing you.  
Love you and miss you my sister.
