“ *God Be With You- Gently as the evening sun says good night to the trees. Quietly as grasses bend before a rushing breeze...Surely as the ocean waves advance to touch the shore, Silently as autumn leaves fall to the forest floor...So may the passing of the days heal loneliness and sorrow, Till nothing but warm memories fill every new tomorrow. Hope This Finds You Coping with your loss! Love, Polly*

“*“My Sweet Darling Grandmother”- Annie Lee Morgan, February 11, 1916- April 28, 2013 by: Mark D. Morgan. I truly Thank-you grandmother; for all your unselfish sacrifices, that you made for me my entire life! And, for the unconditional love you shared; with not only me. But, with everyone that you ever met. I will Cherish all our wonderful trips together such as: “The Oprah Winfrey Show”- and how nicely she treated you by asking you to be in her photograph. Our weekend trip to Chicago, IL was to retrieve my updated passport...And we walked around Navy Pier, Lakeshore Drive, and driving beside Lake Michigan. Also, we stopped in Peducah, KY to see the “Annual Quilt Show”! And, Thank-you for helping me to move out of my apartment (commuter-pad) in New York City, NY. And, I'll never forget the stop at Washington, D.C. And touring the beautiful landmarks' and monuments; along with The White House- during George H.W. (Barbara) Bush's administration. The many trips to San Francisco, CA and Los Angeles, CA to visit family; where we enjoyed “The Nixon Library”, “The Tonight Show-with Jay Leno”, “Roseanne's Talk Show”, “Howie Mandele's Show”, “Arsenio Hall”, “Wheel of Fortune”, and Universal Studios, along with the “Hollywood Bowl”-aphitheatre, and the walk of fame...(with all the movie stars) in the sidewalk, and “The Chinese Theatre”. Also, we enjoyed Las Vegas, NV three or four times, and played the quarter, and nickel slot machines. The beautiful drive back through; Utah, Colorado, New Mexico, Texas, Arkansas, Tennessee, Alabama, and Georgia. Also, I will cherish our good times cat fishing, in the pond; and picking blackberries, and collecting the pecans! We did get Grandpa to take a few long trips in the travel trailer too! I will always cherish the trip to New Orleans, LA to get your passport! And, stopping in Mobile, AL and getting into a submarine and climbing onboard “The U.S.S. Alabama”. We continued onto Gulf Shores, AL and went to Naples, FL. You and I went to London, England; in '95, and stayed for five or six days. But, I will Always remember the fun times; we had in the yard planting flowers and you and papa letting me cut the grass, and ride on the riding lawn mower. I'm going to truly miss having you around to talk to when something is bothering me.... You always knew how and what to say. I hope that you are*

resting in peace now. And, enjoy seeing your Mom & Dad, and brothers and sisters! So, I will go on my way now, to finish my life on this earth. And, I will hold you tight in my heart forever & ever! We will be together again someday; until then please be my guardian angel, and help to keep me safe, til we meet again. I will Always Love You.....1st grandchild for eight years! May you Rest In Peace Forever, I Love You, Mark
