“ *You are all in our prayers. The memories of Barbara we will forever cherish in our hearts. Such a wonderful woman that lit up so many lives. I am truly heartbroken. Please know you were all thought of and in our prayers even though we could not make it down to say our final goodbyes.*

“ *My favorite memory of Barbara was when all the girls got together and made crafts for holidays. She was such a talented lady and we will all miss her so much. We love Barbara and we all know you loved everyone of us like a daughter and our children will all remember you for kind loving grandmother you were to them. May you fly with angels.*
