“ *Betty was one of the sweetest and most humble women I ever knew. She had been a dear friend of our family all my life.*

“ *When I picture Miss Betty, I see her with a smile and her arms open for a hug. She was so loving and special to everyone that knew her. I remember time and time again hearing her testify that she loved the Lord and requesting the song "My hope is in the blood". I will think of her every time I eat peanut butter cake because no one makes it like her! But, this is not goodbye, just see ya later. Love and prayers for all of the family!*
