“ *Uncle Bill was a wonderful man. He went above and beyond to help others. He always had a smile on his face and did not let his health and challenges keep him from helping others. I will forever cherish the fact that he came to my granny’s funeral even though he himself was sick and disabled. It meant the world to me. But that is the kind of man Uncle Bill was, he always put others before himself. I know you are having a grand time right now in heaven with my sweet granddaddy Bud. We love you and will miss you.*

“ *Bill was always the best to give the perfect directions when I stopped by to see the family traveling to FL, NC or elsewhere. He went way above the call of duty when serving in any capacity, including all the girls and men in the family. Cherish the good memories, keep him in your heart. He's not gone he just moved to heaven.*
