“ *Betty... You are now and in the days to come in our constant thoughts and prayers. You and Billy have always been very special friends. I knew the instant I met you all, when Billy came to work for the Boy Scouts in Anniston, that we would become good friends. Billy had a very gentle soul and made everyone feel at ease. I can hear his voice now calling me "C" as the tears are rolling down my face. It is without saying that he will be greatly missed by all who knew him. I love you girl...please take care of yourself.*
