“ This is the second Memory from me: Bob is two yrs. older than myself. We enjoyed doing everything together. I'm sure I pestered him following him around everywhere. Bob was kind to me. We never argued or had fights. We did go our separate ways after we grew up. I do have have fond memories of our Get-togethers and visits. May Bob's Sweet Soul rest in peace. Blessings to all the Family.

“ I pestered Bob, my only brother following him around growing up. Bob was a good brother to me. It's sad when we grow up and go our separate ways. We did make a lot of memories I have enjoyed reflecting on.

I do so appreciate the devotion shown by his children during his illness. Thank you April & Jon Bob. Your Dad will be missed by all of us. Blessings to all the Family.
