“ My heart breaks to learn of Brenda's passing. Although I never got to meet her she provided me with pictures and valuable information regarding my immediate family. I learned that Edward's mom took care of my Dad's cousin, Verna Wiltse in her later years of life. Verna raised my father while living in Flint with her parents, Jay and Marion Wiltse. I can't thank Brenda enough for all her care and kindness she showed me!

Love and prayers go out to Brenda's family and friends!

“ I remember when the Bozark's first moved to Albertville. Knew Gene before I met Brenda (she went by Jennie then). We had horses and were just beginning to go to shows. Brenda was good for advice on training our horses. Met Eddie when he came to visit them when he was in service. W. Kirby.
