“ Carol and Mamie were friends of my parents, Gilbert and Bettye Holt. When I was five years old we moved from Athens, Alabama to Pekin, IL where my Dad began his first full time ministry. Carol was instrumental in our moving there. During those years there our families visited together often. We lost my Dad when he was just 47 and I remember Carol and Mamie coming to his funeral. I am sorry for your loss, but find peace in knowing he has finished his course and kept the faith and gone on for his reward. Our prayers are with you and praying for healing for Mamie. “ Carroll was always a great help to me in the service of God. We worked together on a radio program in Peoria, Illinois and attended a debate in Paragould, Arkansas. He never hesitated to defend God's word. He was a great soldier of the Lord. - J. F. Dancer

To the Sutton family from the Nettles family. Words fail at a time like this. What is needed now is a big, long hug. So, here it is from all of us to all of you. Unfortunately, we were not able to be there with you.

When Hiram passed, Carrol wrote, in part, "a prince is dead in Israel", referencing 2 Sam.3:38. We believe that is appropriate here. Since April, 1961, our association with Carrol and his family could be described as "one long bible study" for which we are eternally grateful. May God bless all of you as you continue on in the work. With many fond memories.
