“ Coach Hearn was great at getting more out of players than they knew they could do. He knew a lot about football and what kind of effort it takes to be successful as players and a team. After our high school days were over we understood more about these things. Please accept our sincere condolences. John and Carol

“ My sympathy and prayers are with the family of my friend and former Litchfield colleague, Coach Buddy Hearn. As a young teacher and basketball coach, the veteran, Hearn always treated me as an equal and with the utmost respect although he had forgotten more than I knew about coaching, motivating athletes, and dealing with people. I will always remember him very fondly. He will be missed.

“ Coach Hearn was a great football coach, good friend and teacher. Taught a lot of us a lot about rook playing on rainy days when we couldn't get outside, One of the chaperones on our Class of 1961's Senior Trip to Washington D.C and New York, also chaperone when us cheerleaders went to cheerleader camp in Tuscaloosa, his sister Ann, was a cheerleader as well. Always had a smile and something nice to say about everyone. Prayers for the family
