“Charlotte is a very special lady always was willing to help someone or as I knew her always willing to help you decorate your house. One day when she was down visiting Tony & Nancy I took her with me to Michael's. She said she would help me decorate my bathroom. Well she never said she did not like how I drove she just sat there and did not say a word until we got back to Tony's house and then ever so politely said you drive fast. I will miss seeing her smiling face. She is a great a person and will be missed, but God has her now as one of His angels to help her family and friends through life....

Love you always Charlotte!!!

“I only met Charlotte a few times when she was visiting her brother Tony and his family but the few times I spent with her were great. She was and is the kindest and nicest person to ever come into your path. She has done so much for so many people and I know in heaven she will do the same. May she rest in peace. She will be missed but never forgotten. Donna Reynolds
