He loved to play basketball, karaoke, play name that song, try new foods. He was a giver.... he almost always would come over with the biggest smile on his face and would have something meaningful to give my two Boys, my husband and Myself and alot of times bring Papaw a hat. He was an Incredible Person! He Is Greatly Loved and Missed! We Love You So Much Chris! RIP.... until we see each other again

“ I have So Many Great Memories with Chris. Whether it be the many times that we karaoke together or times that we just sat and laughed together or the times that we went out to eat and I got him to try seafood such as crablegs or oysters. He didnt like the oysters however he did love the crab legs and crawfish. The first time we karaoked I will never forget bc he absolutely blew me away! I didnt expect it but he sounded better than the actual real singer of the song! He Aced it! He Loved to Karaoke! He was amazing too! He talked me into it and I do not have a talent for singing at all. Despite me being terrible at Singing he bragged on me. He definitely had a talent to sing. I will miss that and I will miss him, my entire family will miss him and that incredible smile..... Everything about him we will miss bc he wasnt just our best friend but he was also Our Family. We Love Him Sooooo Much! RIP CHRIS! WE LOVE YOU SO MUCH! LOVE GENIA
