I met Sharon in 1999 while working together. Chris and she had only been married and settled in Albertville for just a few months. Sharon and I quickly became very close friends & soon we were all good friends. A few years later, our daughters, Shelby Lynn and Cambree were born less than four months apart and they grew up being close friends, graduating and even working together. We did so many things together - cookouts, watching Alabama football, snapping beans, tubing down rivers and school activities & field trips with the girls ...

"Poe" and I share the same birthday and we celebrated many times together going to Spring Valley Beach for the day or just out to eat. It didn't matter what we did, we always had fun and enjoyed being together! July 16th won't ever be the same.

We love the Poes and I know they love us!! My heart breaks for Sharon, Shelby, Lee, Kathy, Mandy and their entire family. Poe loved his family fiercely and he always put them above everything else!! Words cannot express how much he will be missed ...

My deepest sympathy to my dear friend Sharon & to my sweet Shelby Lynn. I love you both so much!!
