“ Lisa, I am so very sorry about the loss of your Dad. He was such a sweet man and he loved you dearly... I have such sweet memories of your Mom and Dad. They were always so nice and made me feel like I was at home when I was there. I loved the bond between you and your parents, it was so much like my own with my parents. So, my heart breaks for you right now because I know how you are feeling. But, your Daddy is now in Heaven with your Mother and they are together again....
Love you Lisa!
