“ As a close friend of her daughter Carri Anne O'Kelley Rhodes, I was at Donna's house probably as much or more than I was at my own house when we were in school. Donna was always so very good to me growing up!! I honestly don't ever remember seeing her mad or upset!! She was just always kind, sweet Donna and I loved her very much!! Carri Anne and Rhonda and family I am so very sorry for the loss of Donna! My thoughts and prayers are with all of you!! If I can do anything at all for any of you please let me know! All my love,
