Tribute Wall

“ One of my most lasting memories of Dot is how she and Grandmother Bernice took such wonderful care of their sister-in-law, Zell, when she was so ill. They took care of her day in and day out.

Also, Dot is one of the women I remember who did everything a man could do, including driving the wagon loaded with cotton to the gin.

And finally, I shared her love of old-timey plants, especially those wonderful petunias that grow all around her house.

Mom and I had a lovely socially distanced visit with her sitting outside in the swings after COVID-19 started. We talked for a couple of hours and then went back again with my daughter Hannah in the summer. Her main subject of conversation was her children and grandchildren and her great love for her whole family was so clear.

I'm so sorry for your loss, i know you will miss her so much.
