Well, it's been just over 2 years Daddy since we said goodbye. Think of you every day. Miss you bad. Austin moved out yesterday and has his own place. He got engaged to that sweet girl Kelsey this past weekend. They plan on getting married next February.

I'm still a trucking Daddy. It's been tough at times and then I think of the advise you would give me and it helps me to keep going on.

*I love you Daddy.
Your son,
Stephen*
