“ *I am so sad that I have lost my best friend. No words can describe or show how much I appreciated or loved her through the years. Frances befriended me in 1976 when I moved here with my family from California. No family, no one I knew here, and she became my sister through the years. I miss her so right now ... My love and sorrow to Norman, Carolyn, and Leslie.*

I am so sorry for the loss of Frances. She was a '63 classmate of mine, and was always so sweet. I'm out of town and cannot attend the funeral, so please know I really am sorry for the family's loss.

*Frances, I am thankful I got to know you. I will always remember the short visits when I came up from Birmingham for you to do my alterations. I didn't want anyone but you making the necessary adjustments and looked forward to seeing what addition you had made in your back yard. Thank you for the sweet memories. I will miss you.
RIP*
