“ *I am so glad I spent a couple of hours with Leon the day after Christmas. I brought along a copy of the 50th anniversary book about Mother and Daddy. I read Leon's pages that he wrote to them aloud to him. He remembered all those childhood escapades and he embellished them. We had some good laughs and a fun time. Love to all. Patsy*

“ *Wonderful memories of Leon with our families at Southside Baptist. Listened to him and my father in law, Herb Shadinger, sing beautifully together. Leon has left a great legacy. My sympathies to all the family.*
