“ I loved Mrs. Carnes and she was a wonderful person and patient of mine. Every CNA loved her. I was the only one who could fix her pillow properly, no one else could get it right. I will miss her dearly. She passed when I wasn't at work, because she probably knew it would break my heart and she's right, it would have. Mrs. Carnes made my job more enjoyable and she would call me in her room if I didn't peak in there periodically. Rest is peace sweet woman.
