Also I will never ever forget the way his face lite up and the twinkle in his eyes when Mike and I told him we were getting married. It made me cry. I love you Dad. “ I was one of Gary's nurses for the past 5 years. My fondest memory of Gary was when I would check his blood sugar in the morning. I asked him if he knew why I liked checking his blood sugar. When I told him it was because I got to hold his hand he gave me the biggest smile. I will miss you and your smile Gary. I love you. 😭.
