“ *Barry, Todd, Rex....wished I could be there for you guys. Love each and everyone of you. You will be in my thought and prayers during this time. Your Dad will always have a special place in my heart. I can remember the first time I came to stay with y'all during the summer. He took me to the Doctor to mend my first stitches in my hand. He was so scared that mom would be upset. LOL. Those were the days. You know it will never be easy, I always think about my dad non stop. There's just something about dad's!!! Love y'all.*
