“ *While working in the probation office in Guntersville Warren McDonald was the officer in charge during that time. He did a good job as OIC, but he will best be remembered to me as being one of the most involved parents I've ever seen. Since his three children were involved in show choir at Albertville High School at one time or another, at some point he invited me and my family to the Sweets & Songs event. We had such a great time and it was so entertaining. I'm glad that through his invitation to that event I was introduced to the world of high school show choir, which I had never seen before that event. A couple of years ago I was able to see the show choir in which his son was the director, perform at the competition in Albertville. And who was there supporting him, but Warren McDonald and his wife, Amy. I'm thankful that I had the opportunity to have worked with and got to know such a good family man.*
