*Ramona and Courtney and family,  
Gerry was a great individual and like his obituary stated he loved the Lord and his family. I met him when he was an Assistant Manager in Jacksonville, AL until he moved on with the company. Reconnect a few years ago maybe 10+ yrs in Fort Payne where we were working on cleaning the store up for some reason and we had lunch. I have shared his prayer request on social media and had many comments from fellow associates from Jacksonville. All of you are in our Thoughts and Prayers during this difficult time. Great video and many memories. 💔*

“ The Hills lived right next to my grandparents on Ruby Ave and we lived right behind them on Rose Road. I remember when the twins, Jerry and Gerry were born. Their sister, Sue and I were always together, either at my house or theirs. Gerry was always just a joy to be around. He will so missed by so many people. His smile was so contagious. Love you Gerry. Your fight is now over and you can now rest with our savior and Lord. See you again one day. Judy Henley Buchanan.

“ The first day at work ( Wal Mart Anniston) when I heard his name, I knew there was a connection. My mother's maiden name was Hill. Once we had the time, I asked about his genealogy. After about 10 minutes of going through names of ancestors, we found a common one. But we decided we were 5th cousins twice removed :) Gerry was such a good natured person, GOD loving Jesus loving person. Prayers for his family. Rest Well Gerry, I think you are walking with the angels and Jesus.

“ *Such a dear friend and my brother but not by blood. He had such a love for God and Ramona and his entire family. Gerry lived out his testimony as a wonderful Christian and his faith drew others to want to know God better. He has now has all his questions answered that he needed answered when he got home to heaven. I'm sure he's having the time of his eternal life and talking up a storm. I'll forever see you as one of my hero's of the faith. You always made me think about deeper things. Oh how I loved you as my friend. See you soon my friend.*

“ *My sincere condolences to your Popsie's family. I watched just a glimpse on television and you could tell what a Godly man he was. Also, you could tell the love he had for his precious family and those grandbabies. I have no doubts Popsie is walking the streets of gold in his new body. Praying for all of his family in the days and weeks to come.*
