“ I am sorry to hear about Glenda. May God who comforts us be with you. May you find some hope and comfort in God's promise found in Revelation 21:4. "He will wipe out every tear from our eyes and death will be no more."

“ To Billy and his children, his grandchildren, Harold, and all of Glenda's family: I was so saddened when I learned of Glenda's serious illness and ultimately her death. At the Class of 1958 Geraldine High School Class Reunion on September 28th, I learned that Glenda was suffering from the terrible disease Cancer. Glenda was then, as always, very upbeat and did not express anything but hope about her illness. She smiled that sweet special smile of hers as she talked. We planned to get together again in 2 years for our next class reunion and as I drove back that long and lonely trip to GA that night, I couldn't help but wonder who would not be present two years later.

I have fond memories of Glenda from when I first met her in the 10th grade at GHS. Several of us from Whiton Jr. High bonded with Glenda and other classmates. We had spend the night parties and did all the things that teen-agers did in those days. It was so much fun to be together. I remember going to Glenda's home once for our time together. Glenda is now in no more pain and she is just waiting on all of her loved ones and friends to join her someday soon. She can play the piano for the beautiful angels singing in Glory!!! My love to all of you as you grieve the loss of the special angel whom God has called to be home with Him!!
