“ Daddio- I can't wait til we meet again so  
I can see that amazing smile, get a hug like only  
You can give and laugh at all the stories you will have missed.  
Everyone says I remind them of you and that is the greatest  
compliment a girl could have. I love and miss you Pops. Rest in  
peace.  
Also- your dog Mattie misses you dearly but is in great hands.

“ Billie Jean, Gil and Family:

Guy(Buddy)has always been considered one of mine. I love all the  
young people who have passed through my life. Guy will always be  
missed. As a mother of a deceased son and the sister of a  
deceased brother I am walking with you through the days and  
weeks to come. Please call if you want to talk--anytime. John and I  
have all of you in our prayers.

“ I am so sorry for his families loss. I went to high school with Guy. He  
always had a smile. He will be missed, just cherish the memories. I  
will be praying for the family. God bless all of you at this time.

“ Buddy was a member of the Marshall County Board of REALTORS for many years as was his Father. We were honored to have him as a member. Anytime he attended our meetings or our classes, he was a welcome asset. He was super initellegent, was a rock as to legal issues and always could supply us with a smile. He willingly served on our Professional Standards Committee and we will miss him.

“ I am so sorry for your loss, but I hope you can be comforted by the fact that Guy is now at peace. I was in the same high school class as Guy and I always remember his face with a huge smile. He was one of our "class clowns". He loved life. I know he will be missed but I'm sure there are many, many memories that will stay with you always. God bless and comfort you all at this time.
