“ To the Teague family: It is always hard when losing a loved one because we miss them very much. We can be encouraged by reflecting on the promises that God has given us thru his word the Bible concerning the hope of seeing our loved ones again. I hope that you will find comfort in reading these scriptures. John 5:28, Revelation 21:4. My prayers are with your family.

“ My heart and prayers goes out to the Teague family. Mrs Gwen, she was a lovely person and such a Beautiful person. She was physically beautiful and also such a vibrant little woman. I remember her little face lighting up last summer when I gave her permission to go wild in my garden. My sister Connie loved her dearly and regrets not being here to spend these last few months with her. But I think Ms Gwen knew how much she was loved by my sister. We are so sorry for your loss.
