“ I was one of Mr. Wynn's nurses at Talladega Health Care. I just wanted your family to know that it was my pleasure to care for Mr. Wynn while he he was at the facility. I will keep your family in my prayers during your time of sorrow!

“ John - Mark & Teresa, I fell in love with you three when I first met you in November, 1967. Your Uncle Jim and I grieve with you over the loss of your dad, but rejoice that his suffering wasn't extended, and that you had the opportunity to re-establish a loving relationship with him and your mother. We are here for you when you want us.

“ John and Jo - we are so sorry to learn of your father's sudden death. What a shock it must be. We hope that while you're together with your family, you'll be able to share memories of your Dad - and Mom - and times together. It's so difficult to accept the death of a parent, but as Jo remind us - he didn't suffer for long. Our prayers are with you both and your family.
