“ *My Aunt Helen would always greet me with a smile on her face and say..." Hello Cathy Jo I LOVE YOU DARLING!"*
She would take me in the car with her and we would visit people all over, some lived way up on the mountain and she would zip us around never being afraid.
She would always give me some peanut brittle to take with me.
I loved her very much and will miss her smile.

Love, Cathy Jo Riskin-Weinstein
