“ *Helen and I have been friends all of our lives. We started first grade together, we graduated high school together, Her family was our family. That's just the way it was growing up in our generation. Helen was a strong person who raised two beautiful daughters who are a special part of my life. My heart is said that our life long friend has left us in this life, I know I will see her again in a brighter place. To Paige, Jennifer, Joyce, Sara, Herschel and all of the family, my prayers are with you. RIP Helen. Thank you Helen for a lifetime of friendship. Lynnette*
