“ Aunt Icey was a wonderful person who lived a good life. Some of the best food I ever ate came off her table. She always had a kind word for me. She was a true peacemaker who was a great wife and a wonderful mother to her nine children. She loved her grandchildren and greats. LOVE describes Aunt Icey best. She will be missed by all who knew her.

“ *Mary Baker lit a candle in memory of Icy Obelia Freeman*

“ *It was 1971. At 13 years old after barely surviving junior high with my sanity in tact, my father left me at the farm of Uncle Hubert and Aunt Icy for three weeks. Mom had bought me 4 new suits of clothing and shoes for summer vacation. By the time Dad picked me up I had ruined every piece of clothing from riding the tractor, playing in the corn crib, cleaning the hog parlor and basically acting like Tom Sawyer the entire time. When I returned home, my mother did not say a word about my clothing. Instead, she studied me closely and said "You've changed". She was right. The hard work, discipline, love and family had guided my first steps into manhood. I love you all! Bobby.*

“ *Icy is an aunt that has touched my heart from the first time I saw her to the last time that I spent time with her. Icy & Hubert always welcomed me with a smile and made my early years a blessing each time that I was with them & the family. We are sorry for the family's lose, but she will always be a part of my life. Jerry, Lynn, Chris, Bridgette and family*
