“ Mitchell family, our family.Carnes blood relationship, neighbors of our Uncle Edris and Aunt Jewel, growing up with Karen and David, attending New Hope Decorations, and eating "dinner on the ground"...special memories of special people and times. Know you are loved and in my thoughts today and in days to come. I love this old photo of our great grandfather, T.J. Whitten, the mules and a young whipper snapper, Jack Mitchell. That will be a glad reunion day!

“ The family of Harris Family Foodland in Columbia, Tennessee have a 25 year working relationship with the Jack and the Mitchell Family. Ewell and Imogene enjoyed many trips to Lake Guntersville and the retail conference with Jack and his family. Jack was a hard worker and strived to assist the managers with whom he worked. We appreciated him and his efforts on our behalf. We would like to express our condolences to his family.
