“ My name is Manda. I was a friend/supervisor of his when he worked for WBM. I'm so sorry to hear about his leaving us. He's looking down on us all...just remember that. If anyone would like to contact me by email, I'd like to find out exactly what happened, if you can talk about it, or wouldn't mind. I love you Jack..you were a great friend for quite a few years. Love, Manda
