“ *Nell, my prayers are still with you, Maurice and Ginger and all the family. Terry was a great friend, boss and co worker, my friendship began with you all in 1972 when I went to work at Albertville National Bank a/k/a First Alabama a/k/a Regions then had the pleasure of working with Terry when he came to First Bank of Boaz, I have lots of good memories of those times and being around the entire Canady family. He cherished all of you, I remember one particular time that Ginger called and told him her blow dryer wouldn't come on, such precious memories that are too many to post..... Love all of you. So sorry that I couldn't be there due to being out of town.*
