“ *I fondly remember your Dad from working at Farmers Telephone company for 47 years , 25 of which were in the Business office working with the yellow pages for our directory. We called him Carmean and I don't think I ever heard his first name. He was such a jovial and funny guy. Never met a stranger. I'm sure thousands of people he met in his lifetime were happy to see him enter the pearly gates, He was a great guy and such a joy to work with. Prayers for your family at this time. Rest in Peace Carmean! You truly left a void in this world. Denise Harris from FTC*
