“ I worked with Tommy over the years. I was an investigator at DeKalb County Sheriffs Office when he was over investigations at Albertville. He was always so nice and I loved working with him. He was a great man that was loved by many people. He was very special to me. I'll never forget him. I pray God will comfort all of his family in the coming weeks and months. Even though he has left this world for heaven, he'll be greatly missed and never forgotten.

So sorry to learn of Tommy's passing. We were in the same class at AHS and even then, he was all about working at the police station. He really enjoyed it. I am glad we got to share some good times growing up. He was always the consummate gentleman. My thoughts and prayers will be with you. RIP classmate.

“*Tommy was a high school classmate. Growing up he always wanted to be a cop and he fulfilled that dream. We in good nature called him Law Dog, a reference to a cartoon character of the time. He was a good kid and a fine gentleman. He will be missed.*”
