Aunt Izell, Shery, and Debbie and all the rest, I send my Love, Kisses and Hugs. Uncle James is very special to John and I. He would tell him he was our favorite Uncle and he would tell us “I’m your only damn Uncle. Which was true for the both of us, but he was always our favorite. He could always make you laugh, but at the same time let you know he loved you. I’m sorry I can’t be there but my John is there for the both of us and I will get there soon for a visit and we will share our memories together. Fishing with him when we were young and our boys too. They would say “Even in the rain”. I will miss him terribly as all of you but I am also happy he is free and fishing with our Lord. Again Live to you all and see you all soon! 🥹🥺❤️🙏
