“ *I was blessed to work with Jane for many years at Tyson. She was a joy to work with and to talk to. Jane was always genuine and sincere. I looked forward to each opportunity to see her or to chat with her on the phone. She was the kind of person that put others first and made those around her feel better. I am thankful for her years of friendship and the blessings I received from knowing her.*

I pray for strength and peace for all of her family.

In Him,
