“ Jan was not only one of the strongest women I've ever met she was loving, kind, and had a spirit that lit up the room every time she walked in. I've known her for 7 years but this past year we have gotten really close. I loved her like she was my sister and I do miss her dearly. I will always remember her with a smile on her face and laughter in her heart. I know she had struggled with health for a while but she always had a smile on her face and a shoulder for you if you needed one. She was a very good woman the absolute best. The ones of us that we're lucky enough to have her in our lives we're truly blessed for such an angel. I love you sister fly high rest in peace in the arms of those angels. Until we meet again
