Tribute Wall

“ *Debbie, please accept my condolences for the loss of your mother. I never had the honor of meeting her but from hearing you speak of her she was a great woman who cared for and loved her family dearly; a woman to be admired. There's a special place in all of our hearts for our mothers, just like there's a special place in every mother's heart for her children. I know you will carry her memory in that special place in your heart and those memories will give you comfort. Know that I'm thinking of you now and in the coming days.*

Love you,

Dee King
