“ I Love you big brother! I will keep you in my heart always. I'm told so much how much I look like you. I see you in Jeremy. Everyone that knows you does. I guess one of the funniest memories I have is when I went into labor with Josh at your house. No one knew but me and Renee. I would touch her leg each contraction. She timed them by making clock from the VCR show on TV that you were watching. You kept yelling for us to quit playing with the remote. We were just making sure it was actual labor before telling anyone because I was embarrassed. I'm really gonna miss you! Your Baby Sis, Shelia East
