“ Coach T was my favorite teacher out of my entire 4 years of high school. Wish I could've had him for more than 1 year, but he started my senior year. Throughout the years after high school I would see him out in public & always had a hug for him. He was always the sweetest man. My daughter, grandkids & I actually saw him not too long ago in Walmart & he joked with her about how loud I am. I will definitely say Heaven is gaining a very special person. Love & prayers to his wife & son.

“ Coach Thompson was my all time favorite teacher. He made learning so much fun. He was an incredible man too. He had a way of making you feel like the most important person in the room when you talked to him. I have always thought back fondly on the year I was in his class. I have even taught my boys some of the things he taught me in his class. Thank you for the way you made others feel, may God bless your family!
