“ *JO ANN took me and my son in her home more times,than I can count! Never asked for anything in return! She would sit and talk to me for hours about how to get my life together ❤️! She talked to my grandbaby every day on the phone for years until my grandmother passed away 💔, I asked her why she talked to her every day she said because everyone needs 1 person they calm a friend in this life to just sit and listen to them!!She loved all her family and friends, she always told me she loved me as well! I will never forget that as long as live! Jo Ann's house was my safe place,and no matter what time of day or night she always made sure i had a ride to her house,and a place to sleep and eat! Without judgment!! Rest in peace 🙏 and thank you for showing me love and happiness and kindness 💕*
