“ I was one of the children of JoAnn Richey or (Mrs.JoAnn) as we all called her. I have fond memories of her house. I started kindergarten while in her care and caught the bus there many days, she watched me from the age of 1 and after I left her care my sister, Elena and I were continually invited to spend the night and spend time with her and PawPaw Donald. Her biscuit and gravy was THE BEST hands down, no lumps. Her soul was the kindest I've met and now that I am grown and have children of my own I hope to show them some percentage of the love, respect, and affection she showed my sister and I. She is at rest now but will not be forgotten. We love you Mrs JoAnn ☐☐☐
