“ *John and I played together when we were young boys some where around 5-8 years old. Johnny was my 2nd cousin. He and his father lived at our place for one winter at Geraldine. We would go with his father in his horse and buggy to the store or to pick up corn in fields to feed his horse. Elmer made harness for our dogs so that they would pull our little red wagon.*

*My name is Thomas Edins.*

*My grandmother and Johnnys mother were sisters. If you would like to hear more you can reach me at 256-593-5250 or tedins4419@gmail.com*
