“ I will always remember baby Joseph. Although it's been a while since I've seen him I would always try to ask Joseph (my twin) how he is doing. Aunt Janice and uncle Wayne have devoted their lives to baby Joseph and it clearly shows. I'll be thinking of you all today as he is laid to rest. Always in my thoughts and prayers.

“ I will always remember his tremendous sense of humor and a smile that never left his face. We always had a dialogue of stories, and jokes for each other. He was blessed with parents who devoted their lives to caring for him for as long as I can remember. We will never forget the memories we had and are thankful for having the privilege of having him in our lives. Simply we loved him!
