“ I will be praying for this family. I did not know them but just looking at the picture of Jovana's beautiful face, (such a beautiful name), I wanted to extend my condolences. I can not begin to imagine the pain her family feels losing their gorgeous girl with the most beautiful hair at 15. So young. However great the loss, I pray that you know that she had a Heavenly purpose and you will all be reunited again One Fine Day and she can tell you why God needed her. There is a consoling song by the Band Perry "Called if I Die Young". Reading about her short life, it seemed to be a full one by being a sister and an aunt. Her smile makes me feel the love, it is so sad, she is no longer here to flash that smile, but her light will shine on in all of the people she touched. Again, very many prayers for this grieving family and all her friends and schoolmates. With much love I ask God to wrap his arms around all of you and hold you up. 🙏🙏🙏🙏🙏🙏

“ I remember when Jovanna was little and I would go to visit Julisa. Jovanna would get in my car and ask to go home with me. I would have taken that sweet girl if her momma would have let me. I loved her so much. Karen Golden
